**THIS ADDENDUM IS TO BE READ IN CONJUNCTION WITH, AND SHALL BE DEEMED TO FORM PART OF THE CONTRACT DOCUMENT.**

Further to the discussion at the site inspection on 22 March 2023 the following points are noted:-

1. **Incoming Waste:** A schedule of the waste being received the site is indicated on Page 89 of the document. To assist further waste data over the last 12 months is attached.
2. **Security:** The Conditions of Contract applicable to this contract are the GCC2015. In terms of Clause 4, the Contractor will be responsible for complying with all relevant laws and regulations including those in the Waste Management License (WML). The WML requires that access to the site be restricted and as such the Contractor will have to supply staff required to comply with its conditions.

Tenderers are also referred to Clause PLO.7 Operations where it states that 'the Contractor will assume full responsibility for the site'.

Tenderers are also referred to Clause PLO.7.8 Security where it states that the Contractor shall arrange for security at his own cost.

All costs related to site personnel including security must be covered in the rates tendered for Preliminary and General fixed costs (Item 1.1.1 and/or Time Related Charges Item 1.2.1 and 1.2.2).

***Tenderers are to note that this addendum forms part of the tender documents and as such must be signed and returned with the completed document.***
